

Material Release Agreement

I _____ as a recipient of biological material described below, which was developed in the course of research carried out at the National Center of Plant Gene Research (Wuhan), Huazhong Agricultural University, China, agree to the following conditions:

- 1)The material will be used for research purpose only.
- 2)The material will not be used for research for commercial parties or otherwise for commercial purposes.
- 3)The material will not be made available to any third party without prior written agreement from the contributors.
- 4)The recipient will acknowledge the original developers of the material and the National Center of Plant Gene Research (Wuhan) in any publications resulting from its use.
- 5)It is understood that the National Center of Plant Gene Research (Wuhan) accepts no liability for the correct description of the material nor in connection with the handling or use the material.
- 6)The material will only be used for the experiments that you have outlined in your request letter. You will inform us, in writing, of any deviations from the original intended purpose.
- 7)The recipient shall bear the cost of handling and shipping of the material.

Please signify your acceptance of the above by filling in the blank areas,
signing and dating one copy of this agreement, and returning it to:

Dr. Changyin Wu

National Center of Plant Gene Research (Wuhan)

Huazhong Agricultural University

Wuhan 430070

China

The material(s) will then send to you.
